Createspace, United States, 2012. Paperback. Book Condition: New. 216 x 216 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.For young readers: Caroline has a terrible day. Her socks are scratchy, itchy, and gross! Her mom packed the wrong cookies for her lunch, and her best friend Charlie embarrasses her on the playground. Caroline doesn't control her temper, and she has a tantrum of epic proportions in front of all her friends. How will Caroline make it through the day? You choose. For Parents Professionals: The Complicated Choices of Charlie and Caroline series explores the world and misadventures of two best friends on the autism spectrum as they engage in every day situations. These books were written with the high functioning autistic child in mind. The particularity of autistic language pragmatics is taken into consideration. For example, there are no talking animals, and elements of every day life common to children on the autism spectrum (e.g. picture schedules, Time Timers, difficulties with transitions, tantrums, and meltdowns) are taken into consideration without making them -- or autism -- the focus of the story. These books take the autistic child's quirky sense of humor in stride and...
