Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from What Shall We Do With the Sunday School as an Institution This booklet was prepared and delivered as an essay before the New York Methodist Episcopal Preachers Meeting, a body of about two hundred ministers, mostly pastors. It has also been called for as an address before certain Sunday-School conventions. The discussions it has called forth have been encouraging, and votes have been passed requesting its publication, with a view to further discussion of the important subject which it barely enters upon. In the hope that, if hammered enough, it may prove a serviceable wedge to the further opening up of a matter, of vital importance to the churches, it is respectfully offered for the friendly consideration of fellow-pastors and Christian laborers.
