Reviews

This publication is indeed gripping and intriguing. It is actually written in basic terms and not difficult to understand. I am just pleased to explain how here is the greatest publication we have read through during my own lifestyle and could be the best pdf for at any time.

South Western/Cengage Learning India, 2013. Softcover. Book Condition: New. 5th or later edition. Leading streamlined, student-friendly approach: Recognized for its unmatched readability, the book's thought-provoking writing keeps concepts intriguing and easy to comprehend. The solid blend of concepts and practices will help students clearly understand how to solve actual business problems. Updated illustrations and real-world examples appeal to today's students and clearly exemplify the chapters' concepts. These examples are integrated throughout the main body of the text in order to connect today's business world with the classroom experience immediately. New discussions of green accounting, where applicable, expose students to developing areas of accounting they may encounter in business. Developing ethical business leaders: The need for students to analyze business situations and make informed, ethical decisions is essential in today's business world. COST ACCOUNTING PRINCIPLES, 9E, International Edition weaves ethical considerations throughout the chapter so that students learn to think consistently of the ethical implications of their actions. Potential Ethical Issues at the end of the chapter emphasize dilemmas students may encounter in business, and exercises and problems involving ethical considerations are marked with an ethics icon. Comprehensive Review Modules: Comprehensive Review Modules for each chapter ensure students' mastery of concepts through succinct chapter summaries, potential ethical issues, solution strategies highlighting key equations and concepts, and demonstration problems that students can use as a framework for solving similar examples in homework assignments or exams. These modules reinforce the critical concepts from the chapter and show how to apply them. High-quality end-of-chapter assignments: Students practice accounting skills with a wide array of assignment types, including Internet research exercises, group activities, writing assignments, ethical problems, and Excel® template activities. Questions test basic chapter comprehension, exercises offer quick concept checks, and problems delve deeper into the concepts, testing students' retention of critical topics and...
