Brand New Book ***** Print on Demand *****.There are people in our world today who, at face value, seem to have little or no real value. The truth is, though, that what the world sees as disposable God sees as having incalculable worth. God assures us of a definite purpose and a plan for each of His children, including those- and perhaps especially those-whose life package includes special needs. Often in the Bible we find that God uses the least of these to do His work, demonstrate His love, and provide the rest of us an avenue for expressing our own love. Immeasurably More is the heartfelt story of one family's journey, a journey that showcases the amazing impact one person with Down syndrome can have. Immeasurably More shares anecdotes from the Aalderinks life together as a family, interspersed with personal observations and accounts from siblings, friends, teachers, coaches, and others. This honest, humorous, and poignant real-life story will touch your heart, while illustrating how an unassuming young man transformed a family, a school, and even a community. Jason Hanson: Kicker, Detroit Lions I first met Zach one Sunday when he came into our church auditorium and I was getting ready to teach. He looked...
