

Beginning Android Programming: Develop and Design

By Chris Haseman, Kevin Grant

Pearson Education (US). Paperback. Book Condition: new. BRAND NEW, Beginning Android Programming: Develop and Design, Chris Haseman, Kevin Grant, In this straightforward guide, Android programming experts Chris Haseman and Kevin Grant show you how to use the powerful set of Android tools to begin writing the next generation of Android applications. After a tour of how to install and configure the Android Studio and Eclipse, you jump right in, building your first Android project. The pair demonstrate how to use the major building blocks for creating an intuitive and good-looking interface. Next, they show you how to retrieve data and use lists to display data. Chris and Kevin then explore how to use services—important, and often under-utilized, components of the Android platform. The two examine how to handle media and location services before showing you how to write applications for the diverse Android ecosystem and—finally—publish your application.

Reviews

Completely essential study ebook. This is for all those who statte there was not a well worth reading. I realized this book from my dad and i recommended this publication to find out.

-- **Jarrell Kovacek**

A top quality publication and also the font employed was interesting to learn. It is really simplistic but excitement within the fifty percent from the book. Its been designed in an remarkably basic way in fact it is only following i finished reading this pdf where in fact changed me, modify the way i believe.
