

Rocks and Soils: Their Origin, Composition and Characteristics; Chemical, Geological and Agricultural (Classic Reprint) (Paperback)

By Horace Edward Stockbridge

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English Brand New Book ***** Print on Demand *****. Excerpt from Rocks and Soils: Their Origin, Composition and Characteristics; Chemical, Geological and Agricultural Five years ago I was requested to prepare a course of instruction in chemical geology for students in one of the American agricultural colleges. Since then it has been my privilege to deliver a series of lectures on the subject to six consecutive classes, first at the Massachusetts Agricultural College, and later here in the Imperial College of Agriculture. When I entered into an engagement with the Japanese Government, the continuation of such instruction was stipulated as a part of my duty. These facts account for the compilation of the material here gathered. The reasons for now presenting the results to a larger audience are chiefly these: As the work has progressed, my students have repeatedly requested the preservation of the lectures in a more permanent and accessible form; while the magnitude of the field from which I have garnered, and the extremely scattered condition of the literature to which access was found necessary, have convinced me of the desirability of attempting to bring...
