TASTE

Hardback. Book Condition: New. Not Signed; Food sustains life. Since the beginning of time, it has underpinned our existence. Every day, in every country around the world, it continues to do so. While once food comprised the humble gatherings of hunters in caves, today it has been elevated to an obsession, loathed and adored, craved and crammed in equal measure. Some people eat to live, others live to eat. In an age where we consume up to 285 pieces of content just via social media on a daily basis, information needs to be easily accessible, quick to the point and captivating. This is the age of the infographic, where statistics, facts and knowledge are made easily available and understandable. Taste will explore the complex, colourful and at times controversial world of food, through a collection of thought-provoking, stimulating and beautifully-crafted infographics. Accessible and authoritative, it will cover everything you need to know about food - from its origins to its consumption, weird and wonderful traditions, mealtimes and trends - as well as startling, challenging and unusual facts. Our content will have authority and wit, chart history and predict trends, and will be complemented by beautiful naturally styled imagery and fact-packed illustrations. From Christmas lunch to curry, pizza to Pavlova, and bagels to burgers, Taste will inform and inspire. Our readers will be information hungry but time poor. They want to eat good food, they want to know good food, but they want it quickly and they want it now. They want to feel travelled without leaving home. It took love, care and attention to create but will ultimately be consumed in a matter of minutes by an eager foodie. Food is the one global language that always translates. book.
