Brand New Book ***** Print on Demand *****.Do you want to start a new hobby and save some money in the process? Have you ever considered creating your own homemade lotions? We all need some lotion to keep our skin healthy, moisturized and smooth. There are different varieties of lotions available in the market. Most of them contain ingredients which may harm your body or skin in some way or the other. If you are living in an area where the climate is hot or cold, then you will surely need the lotion to soothe your dry skin. Though the advertisements about the commercial lotion products promise you better looking skin, it is true that they have certain adverse effects on your skin in the long run. Moreover, the branded high quality body lotions are very expensive these days and it is not easily affordable by many people these days. The branded lotions may contain harmful toxins, dyes, preservatives and many other chemicals which may affect the texture and smoothness of your skin when used continuously. It is necessary to use hand lotions on hands only and to use face lotions on face only. Using the hand lotions on the face may cause the pores on the skin of the face to get clogged and it may cause acne and pimples. So, the best option is to go for homemade lotions and with all the ingredients needed to make homemade lotions easily available in the marketplace. Making lotions at home is very easy. The best part about making homemade lotions is that it comes to you at affordable prices and you will find it to be natural and highly cost effective.
