Now I think I have at last informally learned something practical and useful at a cost effective price and can now HootSuite the lot. Roy B. If you are an entrepreneur, small business owner, consultant, or professional you may find yourself wearing too many hats at the same time. You don t have the money to employ a Marketing or Sales Selling department, business writing professionals, or SEO experts. When you try to follow the advice of someone who has become a Successful Online Business Owner, you feel like you are losing your original brand vision in a cloud of SEO keywords that swarm and shift in your head like a cloud of angry bees. How do you honestly represent what you do without wasting your time and hard-won money on advertising? Advertising is dead. Social Media is very much alive, but it is resistant to online advertising. The solution is to learn how to brand yourself or your business. Excerpt from the introduction Squawk! encourages you to be real, to represent yourself in a way that communicates sincerity and professionalism online; it outlines real marketing techniques that help you create an image of who you are and what you do in the mind of...
