## The Forgotten Cost of Freedom: A Handbook for a Free America in the 21st Century (Paperback)

By MR Eric J Kiser

Createspace, United States, 2012. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.This book was born out of the deep frustration the author felt while watching the 2011 Debt Ceiling debacle play out on TV. As it took shape, the President's approval rating fell to a low 36 and the Congressional approval rating plummeted to a miserable 14 . Needless to say, the mood of the nation was, and continues to be, one of general disgust for our elected representatives and a strong desire for change. The author, Eric J. Kiser, had finally had enough. Gathering a diverse group of friends around him, he formed the political action committee (PAC) The League of Non-Aligned Voters. This political manifesto is his attempt to tell it like it is. The message: The American public seems to have forgotten how this country should work. Voters today are unhappy with the state of our union but still believe the answers to all our problems will be found with a politician already working in government. And, besides all evidence to the contrary, the voting public actually believes this career politician will be able to...
