Brand New Book ***** Print on Demand *****.Excerpt from Black, White or Yellow?: The South African Labour Problem; The Case for and Against the Introduction of Chinese Coolies But that is the principle underlying the arguments of the anti-Asiatics. They would penalise everybody in the Transvaal for the purpose of striking at the rightly or wrongly abused Rand magnate. They vary this phase of the question by characterising the Imperial assent to Chinese labour as a reversion to slavery. What are the facts? What are the economic conditions of the Transvaal? Here then is a colony rich in mineral resources, but whose successful development is dependent upon an abundance of cheap unskilled workers. It abounds in large bodies of auriferous formation, the profitable treatment of which would be impossible in the majority of instances if the bulk of the labourers in the mines were paid on the basis of white men's wages in the Transvaal. It should not be difficult, of course, to secure the natives of South or Central Africa, of whom there are several millions. But the aboriginal is no lover of work, and will avoid it if he can, preferring to exist in lazy comfort on the energies of his wife or wives.
