Xlibris Corporation. Paperback. Book Condition: New. Paperback. 54 pages. Dimensions: 8.7in. x 5.8in. x 0.2in. This book is a dedication to all of those millions of preborn babies who have been lost in the Abortion Holocaust. And to those who like a former classmate of mine who is minus legs and minus an arm as a result of surviving a first trimester abortion and who have despite this have gone on to achieve many great things such as Graduating from Michigan State with honors. Chapter one will take the reader through the History of Planned Parenthood and the influence this history has had on both Society and the Christian World. In this chapter the reader will be able to see how this organization, founded by Margaret Sanger, was based heavily on the theory of eugenics and continues to have a major influence in today's society. This chapter will also reveal the link between contraception and abortion and how the Christian World has been seduced by this link. Chapter two picking up with this link will introduce the reader to the primary victim of this Holocaust the unborn child. This chapter will also reveal how the Roe vs. Wade and Doe vs....

Reviews

I just started off reading this article publication. It is definitely simplistic but surprises in the 50 percent of your ebook. You are going to like how the author created this publication.

Complete information! It's such a great study. It is probably the most amazing book I have got to study. Once you begin to read the book, it is extremely difficult to leave it before concluding.
