Behind him is a cart with a rider draped, half-dead across the seat. But what intrigues Tyler most is the deep breathing that only he seems to be able to hear. As he draws closer to investigate, the gloom behind the bars fades to reveal a most horrific animal, a beast that whispers words of warning. Locked into a devil's pact with a monstrous creature, Tyler must travel across a vast and alien landscape whilst plagued by increasingly bizarre dreams. As it begins to dawn on him that he may well be on the edge of losing his sanity, he is forced to face the demon that murdered his family. A fast-paced, wickedly clever fantasy adventure!.
