

Forward from Here: Leaving Middle Age and Other Unexpected Adventures (Hardback)

Filesize: 1.85 MB

Reviews

It is great and fantastic. It can be written in easy phrases and never hard to understand. You will not really feel monotony at any time of your respective time (that's what catalogues are for concerning if you request me).

(Michel Halvorson)

FORWARD FROM HERE: LEAVING MIDDLE AGE AND OTHER UNEXPECTED ADVENTURES (HARDBACK)

[DOWNLOAD](#)

SIMON SCHUSTER, United States, 2008. Hardback. Book Condition: New. 216 x 145 mm. Language: English . Brand New Book. In her funny and wistful new book, Reeve Lindbergh contemplates entering a new stage in life, turning sixty, the period her mother, Anne Morrow Lindbergh, once described as the youth of old age. It is a time of life, she writes, that produces some unexpected surprises. Age brings loss, but also love; disaster, but also delight. The second-graders Reeve taught many years ago are now middle-aged; her own children grow, marry, have children themselves. Time flies, she observes, but if I am willing to fly with it, then I can be airborne, too. A milestone birthday is also an opportunity to take stock of oneself, although such self-reflection may lead to nothing more than the realization, as Reeve puts it, that I just seem to continue being me, the same person I was at twelve and at fifty. At sixty, as she observes, all I really can do with the rest of my life is to feel all of it, every bit of it, as much as I can for as long as I can. Age is only one of many subjects that Reeve writes about with perception and insight. In northern Vermont, nature is an integral part of daily life, especially on a farm. Whether it is the arrival and departure of certain birds in spring and fall, wandering turtles, or the springtime ritual of lambing, the natural world is a constant revelation. With a wry sense of humor, Reeve contemplates the infirmities of the aging body, as well as the many new drugs that treat these maladies. Briefly considering the risks of drug dependency, she writes that the least we [the Sixties Generation] can do for ourselves is live up...
