## THE RESPONSIBLE ADMINISTRATOR - AN APPROACH TO ETHICS FOR THE ADMINISTRATIVE ROLE

DOWNLOAD

U.S / Jossey-Bass, 1998. Hardcover. Book Condition: New. This is an important work, especially in these times when administrative ethics are getting more attention. The Responsible Administrator has become the standard resource for public administrators seeking to systematically confront and address ethical issues and incorporate them into their decision-making and management choices. In this thoroughly revised and updated fourth edition, the author expands on and uncovers many current issues relevant to administrative ethics. He presents a design approach to administrative ethics, emphasizing the connection between decision making and actual practice within an organization. Cooper offers new insight on postmodernism, explaining how the problems organizations now face have been intensified by postmodern conditions, and describes the relationship between ethics and the emerging principal-agent theory. A 4th edition, with its dust-jacket in new condition. (278 pages).
