Ghetto Theory Publishing, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. This book is written and dedicated to all of the young hustlers, gangsta s, and players who choose to participate in the ghetto game. Because what you don t know can surely kill you, therefore, it s about time to set the rules straight! For it s a lot of you hustlers out there in the world, who s caught-up in the street game, but got the rules missing. Your father, uncles, or big brothers never had a chance to properly lace you in the game, so you guys are out there getting caught-up on stupid shit that is costing you your life. And a lot of you hustlers do have a lot of game and knowledge about yourself, but it s the things that you don t know or shall I say, that you never been properly exposed to that is getting you caught-up. And it s only right that I take the initiative to try to give you this wisdom and lace you in the Real Rules of life, which will broaden your understanding of the street game, and help you to better understand the consequences, pain, and scandalous deception that do exist out there. Hopefully, this will help you to make a logical decision on whether or not the game is for you? My only objective here is to educate you with the real and true facts that exist in the ghetto games. I m not trying to inspire you to do wrong, nor do I encourage anyone to get involved in any type of criminal activities. I only desire to teach you the rules to the ghetto games, so that you can...
