Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.A note from the author: Just to be clear, Staging a Miracle is not a therapy book, nor is it our personal story. It is a direct road map that lays out the strategies and thinking sets that enabled many of the actions that accelerated our son s recovery journey. With all of the autism-related resources available today, I found that none of them directly addressed life strategies and thinking sets that normal people could follow to help them set up their child for the greatest possible success. This book aims to fix that. -- Jason \*\*\*\*\* This book is an easy-to-follow road map for navigating the twists and turns your life will take after receiving an Autism-related diagnosis.
