FORGE, United States, 2013. Paperback. Book Condition: New. Reprint. 170 x 104 mm. Language: English . Brand New Book. The morning of 9/11 Brenda Grant and Daniel Henderson met for coffee before going to their software firm in the World Trade Center. That casual act saved them from the Twin Towers collapse, even as their friends and Brenda s fiance were killed and their company obliterated. Founding their own software security firm, they never forgot that morning of horror. Grant and Henderson then establish a clandestine division inside their company committed to covertly tracking down global terrorists. In a search involving Washington DC, Egypt, Italy and Turkey, they expose a plot to hijack a US presidential election, rig voting machines, and topple democracies worldwide. A collaboration between three major award winners of the crime and mystery genres Barbara D Amato, Jeanne M. Dams, Mark Richard Zubro Foolproof is a jolting political thriller for a post 9/11 world.
