Mr. Miller: I think it would be a mistake. Chairman Howe: Those using it think not. Those that have tried it think it saves the county money. But we wanted a free discussion. We would like to hear from any one on the proposition. Experience is a sure guide. Those who have tried it all say that they would not go back to the old plan for any reason. You have heard them say it here. It ought to be done in the interest of the state. Mr. Valentine, Montgomery county: It was my understanding last night, when I took the opposite. view of the proposition, that the object of this was to get the...

Great electronic book and useful one. It can be written in straightforward terms rather than difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.
