Radio Communication, Theory and Methods: With an Appendix on Transmission Over Wires (Classic Reprint) (Paperback)

By John Mills

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Radio Communication, Theory and Methods: With an Appendix on Transmission Over Wires This book is the substance of a course of lectures given by the author during the summer of 1917 to a Company of the U. S. Reserve Signal Corps troops. From the employees of the Western Electric Company who had volunteered for service two companies were formed, one at Hawthorne, Ills., and the other at New York City. These men were retained on the pay roll of the Company and their training was carried out on company time by other employees. In radio-communication this training consisted in part of the course of lectures mentioned above and in part of laboratory work. To Major Jewett, Chief Engineer of the Western Electric Company, the author is indebted for this opportunity of assisting in the training of our Expeditionary Forces. It is in the hope that the method of presentation, found acceptable to this Signal Corps Company, may be of wider use that this text is published. The individual men to whom the lectures were given...

Reviews

Here is the finest publication we have read right up until now. It is actually written in easy words instead of difficult to understand. Its been written in an remarkably easy way in fact it is only right after i finished reading this book in which basically changed me, modify the way i really believe.
