

## Tombstone: The Great Chinese Famine, 1958-1962

Filesize: 2.25 MB

### Reviews

*This pdf is wonderful. It really is written in simple terms instead of hard to understand. Its been developed in an exceedingly simple way and it is just after i finished reading this ebook in which in fact modified me, alter the way in my opinion.*

## TOMBSTONE: THE GREAT CHINESE FAMINE, 1958-1962

[DOWNLOAD PDF](#)

Farrar, Straus and Giroux, 2012. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: "Yang's discreet and well-judged pursuit of his project over more than a decade is a quietly heroic achievement." Roger Garside, China Rights Forum "Tombstone easily supersedes all previous chronicles of the famine, and is one of the best insider accounts of the Party's inner workings during this period, offering an unrivalled picture of socioeconomic engineering within a rigid ideological framework . . . meticulously researched." Pankaj Mishra, The New Yorker "Eye-opening . . . boldly unsparing." Jonathan Mirsky, The New York Times Book Review "Beautifully written and fluidly translated, Tombstone deserves to reach as many readers as possible." Samuel Moyn, The Nation "[An] epic account . . . Tombstone is a landmark in the Chinese people's own efforts to confront their history." Ian Johnson, The New York Review of Books "The toll is astounding, and this book is important for many reasons difficult to stomach, but important all the same." Kirkus Review "Mao's Great Famine of the late 1950s continues to boggle the mind. No one book or even set of books could encompass the tens of millions of lives needlessly and intentionally destroyed or explain the paranoid megalomania of China's leaders at the time. As with the Holocaust, every serious new account both renews our witness of the murdered dead and extends our understanding. Zhou Xun here selects, translates, and annotates 121 internal reports from local officials to their bosses. They form a frank, grisly, and specific portrait of hysteria defeating common sense. Zhou's University of Hong Kong colleague, Frank Dikötter, extricated some of these documents from newly opened (and now again closed) archives in local headquarters across China for his Mao's Great Famine: The History of China's Most Devastating Catastrophe 1958-1962, but Zhou's book...
