The writers aim has been to prepare a standard work on Clinical Pastoral Education (CPE), which can be used as a Study Guide or Text book in Theological Seminaries, Internship for Clinical Pastoral Education, Bible Schools and also it would be an invaluable service for pastors during courses in discipleship. While I was an intern in (CPE) I sought after a book that would help me understand and prepare me for the program a little better of course I found none. So I pray this book guide you while you walk through the corridors assisting and praying for the needs of the hospital patients, residents of nursing homes and prisoner that are incarcerated. May God bless you and protect you as you complete your mission. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
