

The American Fire-Alarm Telegraph: A Lecture Delivered Before the Smithsonian Institution, March, 1855 (Classic Reprint) (Paperback)

Filesize: 7.16 MB

Reviews

This publication may be worth purchasing. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.
(Cassandra Von)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The American Fire-Alarm Telegraph: A Lecture Delivered Before the Smithsonian Institution, March, 1855 There are few positions more imposing than to stand at the Capital of a country like our own, made up of confederated States, each State made up of confederated counties, each county, perhaps, made up of confederated townships; every part, from the least to the greatest, conspiring to form an organized whole - one nation, one people. From such a Centre it is natural to look abroad over the fair land, at territories and commonwealths, at cities and hamlets, whose interests and national life are thus interwoven into one, and to ask what are the laws and what the means of organization by which Civilization attains these her great ends? It is natural, from such a point of view, to inquire into the general laws of relation by which parts are intelligently bound together to form a composite whole for some end of use or beauty, that is, the laws of relation by which every organization, every mechanism, in the high sense of that word, is formed. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
