This historic book may have numerous typos and missing text. Purchasers can download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1907 Excerpt: . . . Parliament, and his book, in the main, was on their side. In it assuming the character of a cobbler who had exiled himself to the new world, and who in safety, but not without strong interest, now looked upon the political and religious storms which were sweeping over his native country, he utters quaint reflections and pungent satire upon the times. He was, however, opposed to the extremists in Parliament, who demanded the legal recognition of toleration in religion and the establishment of a republic. His book was well received, and passed through four editions in the first year. The first American edition is presumed to be the one printed in Boston in 1713. Mr. Ward was one of our earliest American authors, and his services in connection with our first code of laws have made his name familiar to readers of New England history. 320. Breeches Bible. Title Page missing. John Alden his booke on fly leaf of The New Testament of our Lord Jesus Christ, Translated out of the Greeke by Theod. Beza: With briefe Summaries and expositions upon the hard places by the said Authour, Joac. Camer. and P. Loseler, Villerius. Englished by L. Tomson. Together with Annotations of Fr.
