However, in the last two millenniums of civilization, the wide-open spaces have become congested into concrete jungles and the open gardens have been shrunk into pocket handkerchiefs - sized backyards. So is it a surprise that more and more people who are interested in gardening are looking for alternative ways and places in which they can grow flowers, trees, shrubs, and herbs of their own choice. And that is why container gardening, especially gardens grown in pots and containers have been a godsend for a majority of people down the ages.
