

River Bound (Paperback)

Filesize: 2.46 MB

Reviews

This ebook may be worth getting. I actually have read through and i am sure that i am going to likely to read through again once more down the road. You will not sense monotony at whenever you want of your respective time (that's what catalogues are for relating to should you check with me).

(Mr. Golden Flatley)

Cr Press, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Poetry. No detail is too small for Simoneau's gaze, which takes each nail and board and beam surrounding it into account with a carpenter's knack for shape, structure, precision. Through humor and elegiac storytelling, RIVER BOUND chronicles the ups and downs of blue-collar American life in Lowell, Massachusetts, and elsewhere creating a simultaneously beautiful and apocalyptic vision of the future in which the moon slides behind the empty mills / as we wait, watching for stars to come down. Dorianne Laux These powerful, diary-like meditations are a sort of psychic conditioning for the speaker and there is a lot of conditioning to do: death of the father, death of the New England mill town the only certainty, uncertainty. The lyricism is superb, and subtle, but lyric it is. What better place to discover song than in your own hometown? Brian Simoneau has done just that in RIVER BOUND. This is impressive, intense poetry. Arthur Smith Brian Simoneau is a rarity in his generation for the way he combines precision of feeling with an idiom that is taut, musical, full of linguistic subtlety. Flashy verbal poets seem a little overheated, a little foolish, next to his intelligent restraint. His affection for his native ground the old New England mill towns he grew up in is dry-eyed, rueful, and hard earned. His father's gas station, the mill workers of the 19th century, the often hardscrabble life lived in these towns today inform but don't limit his vision of how Life passes at the speed of grief. He has written as fine a first book as you could hope to read. Tom Sleight.
