The Childhood Multi-Language Development System was created to help children learn the building blocks of the major languages of the world in a fun engaging manner. By incorporating sight, sound color they will use multiple senses to help forge the basic elements of multiple languages. To assist them on this exciting endeavor, their language companion will be MUSHI, a friendly, helpful creature, whose antenna lights up to different colors depending on the language they are learning. In this lesson we will focus on shapes, in 2D format, with an introduction to 3D shapes the concept of depth.
