Quadrille Publishing Ltd. Paperback. Book Condition: new. BRAND NEW, Shopping for Vintage, Funmi Odulate, Vintage clothing provides a fantastic opportunity to wear beautifully made garments that are totally individual, as well as a small piece of history. It was only a few years ago that wearing vintage clothing was strictly for fancy dress parties and yet today the sartorial trends could not be more different. With contributions from the doyennes of the fashion industry - from Hilary Alexander to Miuccia Prada - the book is packed with much sought after insider 'fashionista' tips about what to look for when buying vintage, how to recognise something of value and, perhaps most importantly, where to find it. The final section of the book contains an exhaustive list of the names and addresses of vintage outlets all over the world, as well as vintage fashion fairs, websites, auction houses and...
