Read this book to find out exactly how she did it. Inside you'll learn how she wrote her first draft based on Twilight fan fiction, and how she rewrote it as the book we know and love today, the rough and tumble process of editing, and how she assembled a group of dedicated fans herself that brought this smutty masterpiece to the rest of the world. Inside these pages is the step-by-step process by which this middle-aged British mother came up with the international best-selling erotic romance series that has sold more copies than Harry Potter and Gone with the Wind combined!
