Review by Lynda Smock, October 10, 2013, Goodreads What I liked about this book was that story-telling wasn't restricted to just kids, it's presented as a way of sharing that can work for everyone. And while the first application for story-telling that came to mind was for sermons, this book also shows that it's possible to use it in a classroom setting. If you're looking for a book that will help you in Children's ministry or in any ministry that requires public speaking, you should definitely pick up this book. 4 out of 5 stars. Walsh, in The Art of Storytelling: Easy Steps to Presenting an Unforgettable Story gives readers, whether new to the art or are already experienced public speakers, tips and tools for improving their craft. Through numerous exercises and activities, the reader is encouraged to participate and practice honing skills...
