Brand New Book ***** Print on Demand *****.Calling all fans of music, poetry and the book of Psalms from the bible: Version 2.0 is here to pick up where V 1.0 left off. Ciara Ijames has done it again in this one-of-a-kind collection that features rap songs, touching song lyrics, and contemporary poems. Or better yet, Lyrics, Verses, and Modern Day Psalms. Version 2.0 is still fun for all ages and we also take a deeper look into the lyrics, verses, and psalms we all fell in love with in V 1.0. Its inspiring content and modern day talk transcends these pages from margin to margin. Inspiring content and modern day talk transcends these pages from margin to margin. Its potential to cross over is unheard of. The whole concept is to inspire people all over the world such as King David who authored majority of the Psalms in the bible. This third book or first version will captivate readers and touch the very soul of people everywhere. Let this be a book you are proud to recommend if you see someone who is down and needs encouragement. This is also a great recommendation for those who love music and the lyrics which make up the music. What will your excuse be when you are found reading this book? Because believe it or not, it is just that good!.
