HarperOne. 1 Paperback(s), 2012. soft. Book Condition: New. The author of Religious Literacy and God Is Not One here assembles what he calls the great American scriptures. These texts are the touchstones of our collective cultural legacy, posits Stephen Prothero, from Thomas Paine's "Common Sense" to Maya Lin's Vietnam Veterans Memorial, from the speeches of Abraham Lincoln, Martin Luther King Jr., John F. Kennedy, and Ronald Reagan to the novels of Mark Twain and Ayn Randworks that have both defined and discerned our understanding of what it is to be American. "Required for putting in one place so many historic pieces that are more opined over than actually read. Awesome scholarship to an admirable purpose."Kirkus Reviews (starred review)"Prothero has turned his considerable talents to assembling a version of the American canon. The author's prose is, as usual, spritely, informed and incisive."Washington Post 533.
