

Human Eternity: Stone Agep Mustopia

By J.N. Nanda

Concept Publishing Company Pvt. Ltd., 2006. Hardcover. Book Condition: New. This book is a testament about the future of mankind. Extrapolating from the recent bloom in human life like practically outlawing of wars and the growth of science, technology and steady spread of UN governance, it seeks to convince mankind that the scriptural utopia for whole of mankind is certain to be achieved. It argues that the current millennium is very important for preparing for this Mustopia through developing new society of cooperation and fellow feeling by adopting enlightened principles of unity in diversity, secularism and humanist economics. Civilization has advanced through new insights of individuals resulting in turning points in health and medicine, advances in instruments and logic, materials technology, electronics and use of computers etc. The situation has reached a stage that man can hope to nudge even evolution into new mental abilities and elimination of anger, hate and greed. Printed Pages: 120.
