This book captures the ups and downs of a lonely and over-sensitive individual. In her life s evolution Patricia learned to be caring of others-oftentimes caring little for herself. As a person is stripped of their worth they become empty and saddened. As she searched for reasons beyond her own knowledge, she was led into the field of nursing. She studied the body for forty-three years as she worked in a medical surgical hospital. While working in a psychiatric institution for twenty-two years she became more in touch with the mind s functions. She worked two jobs simultaneously. As she dealt with her emotional stresses, she began to sing as a healing, soothing mechanism. She wrote a song that simply says, Believe in yourself when others put you down. Now, at sixty-four years of age, she wants to complete a phase in her life.
