## AMERICAN NEUTRALITY IN THE 20TH CENTURY: THE IMPOSSIBLE DREAM: INSTITUTE FOR NATIONAL STRATEGIC STUDIES MCNAIR PAPER 33

Createspace. Paperback. Book Condition: New. This item is printed on demand. Paperback. 168 pages. Dimensions: 9.0in. x 6.0in. x 0.4in. This work began for the author with a paper written in the spring of 1982 while as a student at the College of Command and Staff at the Naval War College. The authors professional and personal interest in the Law of War and Neutrality were nurtured throughout his studies and grew during his masters and doctoral work at the Fletcher School of Law and Diplomacy. This chronology demonstrates that the United States found the requirements of strict neutrality less than useful for fulfilling its policy imperatives throughout the 20th century. The reasons for this are varied, but all involve departures from strict impartiality required of neutrals. The common thread running through them is that global interests make impartiality difficult to maintain and often counterproductive. It also becomes clear that this will continue for the future. Although the incidents explored stretch back over 100 years, history is not its focus. Incidents are cited only to show their relationship to the pattern of US behavior; historical details are not elaborated. Further, incidents are looked at in the context for what was known at the time, without the benefit of hindsight. The loss of the battleship MAINE, for example, is now believed to have resulted from an accident; at the time it was believed to have been an attack. The detailed behavior of other nations was also not examined except in response to that of the United States, because while this work is about international law, it is for the US naval force and unit commanders who must understand that law. The authors personal knowledge of an involvement in highly sensitive US policy implementation in Central American and Panama in the mid-1980s requires that...
