Purchasers can download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1905 edition. Excerpt: .See form on opposite page. way as the Invoice Record. The difference between the first two columns on the left, and the extreme right column being the balance due. The first three distributive columns are for items that do not belong to any one department--the third column being for items that become a Permanent Asset. 523. The names of all creditors are entered in the column headed In favor of. If goods are purchased on time, and the amounts are to be credited to open accounts, the amount of the invoice is placed in the Open Acocunts Payable column, and the distribution made in the proper department columns. If the goods are to be paid for promptly the amount of invoice is entered in the Audited Vouchers Payable column, and the proper extensions made in the department columns. The total of Open Accounts is posted...

Reviews

A brand new electronic book with a new standpoint. It is writter in basic phrases rather than confusing. Its been designed in an extremely basic way which is merely right after i finished reading through this publication where basically altered me, change the way i believe.
