## THE LADY QUEEN: THE NOTORIOUS REIGN OF JOANNA I, QUEEN OF NAPLES, JERUSALEM, AND

Walker. 1 Cloth(s), 2009. hard. Book Condition: New. "Resilient Queen Joanna of Naples (132682) weathered overwhelming political challenges, financial ruin and a papal-run murder trial for the death of her Hungarian husband all by age 22. Nancy Goldstone [also the author of *Four Queens: The Provençal Sisters Who Ruled Europe*] expertly describes bloodthirsty 14th-century politics and the complex family entanglements that encouraged siblings and cousins to clash over kingdoms like toddlers brawling over toys. Adding to the fray was Joanna's military support for anti-pope Clement VII against Pope Urban VI, ultimately helping create the Great Schism. Goldstone effectively proves Joanna's innate leadership through the queen's mastery of complex legal arguments and her formidable resilience through four husbands and relentless challenges to her royal status. Packed with action and effortless to read, Goldstone's account will satisfy scholars and entertain book clubs with a heroine who had persistence and unbounded dedication to her realm." *Publishers Weekly* (starred review) 365.
