Createspace, United States, 2013. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.As the world mourned the death of Diana, Princess of Wales, a group of archaeologists from the Rockefeller Museum in Jerusalem were about to stumble upon one of mankind's greatest discoveries. A discovery that, had it immediately come to light, might've blown the story of the princess's ill-fated trip to Paris off the covers of every tabloid in the Western Hemisphere. Its existence contradicts the Bible. Israeli Prime Minister, Saul Mendelssohn, has a decision to make. Can he use the discovery to bring renewed fortitude to his people without it being used as a catalyst to push for complete Jewish control of the Temple Mount? Or will the risk of spilling the blood of thousands of his fellow citizens in an all-out holy war lead him to cover up its existence? It's a monumental decision to make, but the final decision may not be his. Not everyone within his inner circle wants peace in the Middle East.
